An authentic artisan experience.

Dall'inesauribile estro creativo di Giorgio Saporiti, interprete unico e originale delle più attuali tendenze tessili, nasce una linea di tessuti tricot realizzati appositamente per vestire le nuove collezioni.

Il risultato è un prodotto di altissima qualità, espressione indiscussa dell'eccellenza del Made in Italy, capace di creare un ponte tra moda e design, come nella più fedele tradizione del marchio Il Loft.

Handcrafted design

Design 100% italiano e materiali esclusivi, sono questi i leit-motiv ricorrenti in ogni singolo progetto firmato Il Loft: tessuti, arredi, complementi e interior dalle forme pulite e razionali, sempre capaci di stupire ed emozionare. Un modo di fare design unico che ha portato l'azienda ad essere emblema della qualità made in Italy nel mondo.

A garanzia della progettazione ricercata ed accurata dell'azienda c'è la mente creativa di Giorgio Saporiti, maestro del design e della moda capace di reinterpretare le tendenze del momento in una chiave ironica e raffinata.

Nuovi prodotti dal design innovativo e con cromie ricercate saranno presentati in esclusiva al Salone del Mobile di Milano, per inserirsi perfettamente nella più ampia collezione esistente de Il Loft.

From the illimitable creative genius of Giorgio Saporiti, an inimitable and unique exponent of the very latest textile trends, comes a line of tricot fabrics created especially to "dress" the new collections.

The result? Products of outstanding quality that irrefutably epitomise "Made in Italy" excellence and bridge the gap between fashion and design in true Il Loft tradition.

100% Italian design and exclusive materials form the leitmotifs of every single Il Loft project: fabrics, furniture, furnishings and interiors with clean, functional lines that never fail to amaze and kindle emotions. This unique approach to design has transformed Il Loft into an internationally recognised symbol of the best of "Made in Italy" quality.

Guaranteeing the company's sophisticated and meticulously crafted designs is the creative genius of Giorgio Saporiti, a past master at design and fashion who has a flair for interpreting the latest trends with refinement and a tasteful touch of humour.

The new innovatively designed products in refined tones will be exclusively unveiled at the International Furniture Fair in Milan, and represent the perfect addition to Il Loft's wider existing collection.

FREESPIRIT

Divano dallo spirito libero definito da una vaschetta in metallo rivestito che diventa fianco e schienale ed accoglie morbidi e sformati cuscini.

Ha due anime che lo rappresentano: una più lineare che disegna composizioni in linea, e una più sinuosa che permette composizioni curvilinee che si espandono nello spazio caratterizzando fortemente gli ambienti.

A free-spirited sofa defined by an upholstered metal tray that forms the sides and back and envelops soft, misshapen cushions.

A free spirit with a dual soul: the more linear version is perfect for straight-line compositions, while the more sinuous design creates curvilinear compositions that grow into the space, ensuring a style statement in any interior.
